BEFORE THE NORTH CAROLINA
BOARD OF LICENSED CLINICAL
MENTAL HEALTH COUNSELORS

IN THE MATTER OF:)	
)	
Shevonna Jett, LCMHC)	CONSENT ORDER
Respondent)	OF CONDITIONAL
No. 14034)	REINSTATEMENT

THIS CAUSE, coming on to be heard and being heard before the North Carolina Board of Licensed Clinical Mental Health Counselors [“the Board”], pursuant to N.C. Gen. Stat. § 90-340 and regarding a petition for reinstatement submitted by Respondent; and

IT APPEARING to the Board that the Respondent has stipulated to certain facts and to the entry of a Consent Order in conformity therewith;

IT IS HEREBY STIPULATED by the undersigned Respondent and the Board for the purposes of this disciplinary proceeding that:

1. Respondent was at all times relevant to this cause a licensed clinical mental health counselor [“LCMHC”] and is subject to the Board’s jurisdiction pursuant to the North Carolina Licensed Clinical Mental Health Counselors Act, Chapter 90, Article 24 of the North Carolina General Statutes.
2. The Board issued a licensed clinical mental health counselor (“LCMHC”) license to Respondent on April 22, 2022, which license she renewed through November 30, 2025. The Board previously issued Respondent an associate license on June 11, 2018, which transitioned to her LCMHC license.
3. On November 6, 2025, Respondent entered into a Consent Order with the Board, indefinitely suspending her LCMHC license (“2025 Consent Order”). The stipulations of the 2025 Consent Order are fully incorporated herein by reference.
4. Respondent has satisfied the conditions of the 2025 Consent Order, including completing 15 CEUs and having a professional screening by the North Carolina Professionals Health Program (“NCPHP”). Based on the professional screening, NCPHP found that Respondent did not suffer from any impairment.
5. The Board and Respondent wish to avoid the time and the costs associated with full litigation of this matter and, *in lieu* of any proceedings, enter into this Consent Order.
6. This Consent Order contains the entire agreement between the undersigned, there being no agreement of any kind, verbal or otherwise, which varies, alters, or adds to this Consent Order.

7. Respondent understands and agrees that this Consent Order must be presented to the Board for review and potential approval and shall be effective only after approval by the full Board and entered by signature of its Chairperson.

8. Respondent further agrees that presentation of this Consent Order to the Board for review and potential approval shall not constitute improper *ex parte* communication between the Board and its counsel, or the Board and its staff, nor require the recusal of the members of the Board from consideration of this matter before the full Board if the Board rejects the Consent Order and a contested case hearing is required in this case.

9. Respondent has read this entire Consent Order, assents to its terms and conditions, and agrees not to contest the findings, conclusions, or order in any future potential proceedings by, against, or involving the Board.

10. Respondent expressly waives notice of hearing, a hearing, the making of findings of fact and conclusions of law, and all further proceedings before the Board to which Respondent may be entitled by law.

11. Respondent waives the right to seek judicial review or to otherwise challenge the validity of this Consent Order in any court or before the Board in the future.

12. Respondent forever releases the State of North Carolina, the North Carolina Board of Licensed Clinical Mental Health Counselors, and all its members, officials, agents, counsel, representatives, and employees, both past and present, in their individual or official capacities, from any and all liability, suits, claims, and causes of action arising prior to or as a result of the execution of this Consent Order, in exchange for resolving this matter without further proceedings or action and upon entry of the Consent Order.

13. This Consent Order shall constitute a modification of disciplinary action the Board previously took against the license of Respondent, pursuant to N.C. Gen. Stat. §90-340(a) and (b) and the 2025 Consent Order.

14. The Board shall maintain this Consent Order as a public record pursuant to N.C. Gen. Stat. §§132-1 and 90-340(f), shall submit a report to the National Practitioner Databank about the modification of the 2025 Consent Order, and shall provide copies to the American Counseling Association and the National Board of Certified Counselors, and to other agencies or individuals as required by law.

15. Respondent understands that entry of this Consent Order as a public record and its mandatory reporting and distribution may have adverse consequences in other contexts, which shall not be the basis for reconsideration of its terms in the future.

16. Respondent was not represented by counsel in connection with the investigation and execution of this Consent Order. The Board was represented in this Consent Order by Douglas Broucker of The Broucker Law Firm, P.A.

17. Respondent agrees to service of the fully executed Consent Order to the address or email she provided to the Board and waives service by any other method.

Based upon the record and the foregoing stipulations,

NOW, THEREFORE IT IS HEREBY ORDERED as follows:

- I. Respondent's license number 14034 is conditionally reinstated, provided she fully complies with all of the following probationary terms:
 - a. Respondent shall complete a minimum of 3,000 hours of supervised clinical mental health practice subject to these conditions:
 - i. The supervisor shall be approved by the Board, pursuant to Administrative Rules 21 NCAC 53 .0702 and 21 NCAC 53 .0801, to supervise Respondent's professional practice ["Supervisor"], prior to the beginning of supervision;
 - ii. The supervision contract shall be filed with the Board office no later than 60 days from the date the Consent Order is entered by the Board;
 - iii. Respondent shall provide a copy of the Consent Order to her Supervisor. The Supervisor(s) shall confirm the receipt of the Consent Order in the first supervision report;
 - iv. Of the required 3,000 hours of supervised clinical mental health practice, 2,000 hours shall be direct service to clients;
 - v. The supervisor shall report to the Board any type of impairment that may impact Respondent's ability to practice clinical mental health counseling within three (3) business days of determining, observing, and/or being notified of the impairment, as well as in the quarterly reports and a final supervision report; and
 - vi. Respondent shall bear any costs and associated expenses of the supervision.
 - b. Respondent shall not violate any provision of the Licensed Clinical Mental Health Counselors Act and the Board's Rules and Regulations, including the ACA Code of Ethics.
 - c. Respondent shall submit to interviews by the Board or its authorized agent and arrange for the Board or its agent to interview her employer, employees, and co-workers during regular office hours or at such other times as are mutually convenient.
 - d. Respondent shall comply with all requirements for renewal of licensure, including continuing education and payment of fees.

- e. Respondent shall keep the Board apprised of her current address, phone number, and email address and notify the Board of any change to that contact information no later than ten (10) days after it becomes effective.
- II. Respondent may petition the Board to be released from Probation once she has completed the requirements set forth in Paragraph I above and provides supporting documentation or evidence that she has satisfied all conditions. Respondent's license shall remain on probationary status until the Board grants such a Petition.
- III. The Board recognizes that the conditions, limitations, or requirements set forth in this Consent Order may present Respondent with certain practical difficulties. The Board concludes that each one is necessary to ensure public protection, and it does not intend to modify or eliminate any of the conditions, limitations, or requirements set forth herein based on such potential difficulties, except as noted herein.
- IV. The Board shall retain jurisdiction of this matter and Respondent to enforce the provisions herein or enter orders as necessary in the future.
- V. If Respondent fails to comply with any provision of this Consent Order or breaches any term or condition thereof, the Board shall promptly schedule a public Show Cause Hearing to allow Respondent an opportunity to show cause as to why the indefinite suspension of Respondent's license shall not be activated for violating a valid order of the Board. If after the Show Cause Hearing, the Board is satisfied by a preponderance of the evidence that Respondent failed to comply with or breached any term or condition of this Consent Order, the Board shall reactivate the suspension of her license and may enter such other discipline or conditions as the evidence warrants for proven violations of the Licensed Clinical Mental Health Counselors Act or of the Board's Rules occurring after entry of this Consent Order.
- VI. This Order is effective as of the date it is signed by the Chair and served on Respondent to her email address.
